Rockwall Parks &
Recreation Department

The Kiwanis Sponsored Angel Baseball Program is absolutely FREE for all children with special needs. The program is for special needs children ages 4 to 15, regardless of disabilities, and the Adult team for those aged 16 and up with mental challenges.

HISTORY: Started in 1999 and co-sponsored by the Rockwall Parks and Recreation Department, the games have no strikes, no outs and we do not keep score, every “hit” is a home run!!!! We accept all disabilities, no matter how severe.

SCHEDULE OF EVENTS:

We play for 8 weeks each spring and fall at the City owned Tuttle Field on Airport Blvd followed with a Sports Banquet on week 9.

2017 Fall Schedule is **each scheduled Wednesday night at 6:30 PM** on:

Sep	6, 13, 20, 27
Oct	4, 11, 18 (Pic Nite), 25
Nov	1 (Awards Banquet inside @ Harry Myers Park)

STRUCTURE:

The parents of the children actually run the games, providing support, coaching and "officiating". Team Moms have been designated to assist in this area. The Angels was started for special needs children ages 4 to 15. **In addition we have a separate “adult” team for special needs young adults and adults ages 16 and up with mental challenges. They play on a separate field the same nights**

EQUIPMENT & AWARDS:

Each child/adult is furnished a complete little league style baseball uniform at no cost to the parent. At the Award Banquet they receive a team picture, a picture of the individual child/adult at bat plus a trophy. A Pennant and an auto decal is given out the first year your child plays on the team.

RULES: We have no strikes; no outs and the basic rules are adapted to meet the disability of the player. Players are always encouraged, never forced to conform.

REGISTRATION:

- **On Line Registration forms at www.AngelLeague.Org**
- **Call 972 722 6001 for assistance**

UNIFORMS: Once your child/adult has been issued a uniform, if you wish you may have their name stenciled on the jersey back by taking the jersey to Checkmate Embroidery at 1290 Industrial Blvd (street beside the baseball fields). Go to the end of that street near I-30. They will complete and notify you for pickup @ minimal cost. If a grant needs to be given to cover this small cost (usually under \$10, simply call 972 72 6001
